Dancers auditioning for both YAGP and the Commercial Team will audition early in the YAGP time slot, so they have time to rest before the Commercial Team audition.

Each dancer will perform a solo variation of their choice, approximately 1 – 1 ½ minutes in length. This does not have to be the variation you will perform at YAGP. Please select a variation you feel most confident dancing.

For the audition, please bring your completed registration form and your music. Audition attire is black leotards and pink tights, with your hair in a neat ballet bun. Please arrive 30 minutes early to warm up.
