

## *HELP SUPPORT LAGUNA BALLET*

Laguna Ballet Theatre is a 501(c)(3) nonprofit dance company. Our mission is to enrich Orange County's artistic and economic vitality, to inspire love and appreciation for dance, and to invigorate ballet by:

- Presenting a season of exhilarating classical and contemporary performances,
- Providing a nurturing environment for dancers and choreographers,
- Offering stimulating educational outreach programs.

Ticket sales alone do not support the organization's financial stability. It is through the generous contributions of individuals, local businesses, foundations and corporate sponsors that Laguna Ballet is able to be an active artistic force in the community.

Help us grow and thrive in our role as an integral part of South Orange county's vibrant arts community. Please contact Melissa Sandoval, Program Manager @ [msandoval02@yahoo.com](mailto:msandoval02@yahoo.com) to make your tax deductible donation.
