

Laguna Ballet

Established 1985

Dear Laguna Ballet Family,

Since our beginning in 1985, we have grown from a small dance school to a prominent source of art and culture in Orange County. Moving into 2020, we were ecstatic to commence our 35th Anniversary Season. However, current circumstances are having a significant impact on the way we rehearse, operate, and perform and threaten to affect our long-term sustainability.

Despite all of these challenges, we are proud to announce we will be moving forward with four performances of *The Nutcracker* December 19th-20th at the Anaheim Center for the Performing Arts at Servite, for limited audiences (adhering to strict COVID-19 guidelines).

As part of the Laguna Ballet Family, you have experienced the magic that each Nutcracker season brings. From the excitement of the cast list to the many hours of rehearsals, it all culminates in the live performances on stage. As past participants, you are aware that there is a tremendous amount of fundraising necessary to fund the production of the Nutcracker. With decreased revenue sources and limited fundraising opportunities this year, we are reaching out for your support.

This year we are launching our Laguna Ballet Alumni. Those who have shared the same love and passion for dance are encouraged to join us in our efforts to make the Nutcracker performances a reality for our current students. Any monetary donation is welcome. For your generosity, we will recognize you or your dancer with the years they danced with Laguna Ballet in our Nutcracker program this year. You can Venmo to @Laguna-Ballet-1 or send a check to the studio.

You are a part of our legacy and with your support, we can continue to build the strong foundation for Laguna Ballet for years to come. Amid so much uncertainty, artistry, beauty, inspiration, and hope are now more important than ever. Make dreams come true and be a part of our Laguna Ballet Alumni!

Kind Regards,

Shery Gilbert
